**The Trump Administration Has Been Sued More Than 750 Times. Track These Cases.**

The Trump administration's sweeping policy changes face a number of lawsuits — more than 750. In more than 450 cases, the courts have let the administration's policies stay in effect even as they remain in active litigation. In more than 150 cases, however, the courts have at least partially halted the administration's policies either through temporary restraining orders or preliminary injunctions. (NYT June 2026)
